

About Kingsland

www.kingsland.biz

Since 1982, **Kingsland Development Corp.** has been providing first class quality in real estate development and construction. Our philosophy is to not only offer a quality product for our customers, but to provide the unmatched service and attention to detail sought after by today's buyers.

From the entry level townhome community Kingsbrook Crossing in Oswego, Illinois, to the more luxurious townhomes at Kingsbrook Court in Wheaton, Illinois, our uncompromised service and attention to detail are seen again and again with high praises from our satisfied customers. Kingsland represents homes that stand the test of time, homes that people are proud to own. Locally, we have completely developed the Ginger Woods community. Ask us for a list of references from previous customers who have built with us.

Mission Statement

To glorify God in our work.

To serve with excellence.

To grow responsibly.

To provide stable, challenging employment.

About Capstone Custom Homes, Inc.

Capstone Custom Homes, Inc. is a premier builder in the Western Suburbs of Chicago. Our mission is to build homes with excellence and uncompromising quality. As a custom home builder, we strive to provide incomparable customer service during all phases of construction from design to post-closing. The homes we build are as distinctive as the families who purchase them.
